

Having been rejected as a barrel maker, Fanny turned her energy to being a speechmaker for the women's movement. Her desire to make a perfect barrel transferred to a desire to perfect the rights of women. Not only are women adaptive, they are triumphant. Without the traditional power resources—money, position, and prestige they had to rely on their talents and determination.

These women refused to see themselves as too weak, or under-empowered, to make a difference. Their efforts on the critical issues of their time radically changed the course of the nation. They were not just taking political stands—not just writing and speaking about compassion, justice, and mercy. They were engaged in daily acts of human kindness. What they said and what they did matched. These women left their stamp on history with their ability to be adaptive, triumphant, and genuine. They have also left their stamp on us, their 20th- and 21st-century sisters. For these traits are alive and well in women today.

#### ADDITIONAL STATEMENT

#### CONGRATULATING THE MEN'S BASKETBALL TEAM AT THE UNIVERSITY OF WISCONSIN IN MADISON

• Mr. FEINGOLD. Mr. President, today, as a proud alumnus, I congratulate the Men's basketball team at the University of Wisconsin in Madison for their victory over the University of Michigan this week. This victory allowed UW's Coach Bo Ryan and his Badgers to claim the Big Ten conference title for the first time since 1947. As a fellow Badger, I am proud of their accomplishment and I look forward to their play in the post season.

This marks the 104th season since the UW-Madison men's basketball program began. From their first season in 1898 to their Cinderella season two years ago, to this week, when they clinched the title, Badger Basketball has more than earned this Big Ten Championship. The people of Wisconsin continue to support and cheer for our Badgers each season. Known as one of the finest institutions of public higher education, UW-Madison also has proven to be a powerhouse in Big Ten sports.

I take great pride in commending our men's basketball team. As a graduate of UW-Madison, I wish Coach Ryan and his Badger team all the best in the upcoming post season. Wisconsin is behind you, and we wish you all the luck. Go Badgers!

#### TRIBUTE TO JARAD ROBERT LYONS

• Mr. CAMPBELL. Mr. President, today I want to recognize and congratulate a special Coloradan, Jarad Robert Lyons, for winning the AAA State Wrestling Championship Title in his division.

Jarad, an 18-year-old senior at Ignacio High School, started wrestling

at the very early age of 4 in the Pee Wee divisions. He continued his career throughout junior high and high school, and first qualified for the State championships in his junior year in the 136-pound division. He has received numerous awards leading up to this year's State championship, where he qualified in the 145-pound division. He placed first at the Regionals—Southern Region, Tournament in Salida, CO. He then took first place at the Ignacio Invitational, first again at the Moab Tournament and first at the Rocky Mountain Invitational, where he was also awarded the Most Valuable Wrestler Award.

Jarad was one of his team's captains this year, and his senior season is a true list of accomplishment. In the last two months alone, he has been named Outstanding Middle Weight Wrestler at the Aztec Duels, Champion at the Rocky Mountain Invitational, Champion at the Moab Tournament, Champion and Outstanding Wrestler at the Ignacio Invitational, League Champion at the Intermountain League, Champion at the Regional Tournament, and then finally, State Champion at the CO State Championship tournament for the AAA division which was held the weekend of February 21-23.

Jarad Lyons, is without a doubt, a class act. He is respected by not only his teammates and his coach, but by other coaches in the State as well. He is a compassionate team member, and is willing to help every wrestler on his team, regardless of his experience. He is well known throughout his community, and enjoys the support and well wishes of everyone. People feel they can call him at home, and tell him how proud they are of him. I think this is the mark of a truly special young man.

In his free time, while I know wrestling takes precedence, Jarad also enjoys working on his car, a 1965 Barracuda, which he purchased himself and has rebuilt entirely. He now drives the silver and black pinstriped classic beauty very proudly.

I congratulate Jarad Lyons on his tremendous achievement, and wish him every success in the future. He is an example of the success that hard work and determination bring when we set ourselves to achieving our goals. He is an outstanding young Coloradan and he has earned and deserves our applause and congratulations.

#### HONORING DANIEL MAYDAN ANTI-DEFAMATION LEAGUE'S TORCH OF LIBERTY AWARD

• Mrs. BOXER. Mr. President, I would like to set aside a moment to reflect on the work of Dr. Daniel Maydan, the latest recipient of the Anti-Defamation League's Torch of Liberty Award. This distinguished honor recognizes those who personify the League's ideals of equality and justice.

Dr. Maydan, President of California-based Applied Materials, is a true leader in the technology industry and broader community. He spearheaded the development of the company's plas-

ma etch technologies, leading to the creation of a manufacturing system central to California's semiconductor industry. This revolutionary technology has been included in the Smithsonian Institution's breakthrough technologies collection.

Bridging the digital divide both at home and abroad, Dr. Maydan helped strengthen Israel's presence in the global economic sphere, earning the Israel Trade and State of Israel Jubilee Awards. In addition, he established scholarship programs at Hebrew University and a Center for Advanced Materials Study at the Israel Institute of Technology to encourage and support others pursuing studies and careers in the sciences. In addition to his many other activities, he serves on the Board of Directors of the San Jose Symphony.

Dr. Maydan has helped shape our technology field and helped make it possible for others to follow his lead. It is clear that he is most worthy of this honor.

#### TRIBUTE TO KENTUCKY'S COMMUNITIES

• Mr. BUNNING. Mr. President, today I rise to congratulate 10 Kentucky communities for being named to "Site Selection" magazine's top 100 Small Towns. "Site Selection," an Atlanta-based magazine circulated to over 45,000 executives involved in corporate site selection decisions, based its study on how well prepared small towns are to handle businesses searching for new project locations and business ventures. Specifically, each town was judged by the total number of jobs created, the number created on a per capita basis, unemployment rates, and the amount of investments by companies who locate in the community.

The 10 towns in Kentucky named to this noteworthy list are: Bowling Green, Campbellsville, Danville, Bardstown, Frankfort, Elizabethtown, Franklin, Shelbyville, Glasgow, Madisonville, and Lebanon. Through their hard work and commitment to progress, these towns have proven to the business community nationwide that they are more than prepared to take on the many challenges that accompany the opening of new business projects. I take this as an indication of the Commonwealth's commitment to creating a new and better economy for future generations of Kentuckians.

I once again congratulate these 10 communities for this much deserved distinction and thank the men and women living in these towns for continually working toward the greater good of the Commonwealth of Kentucky.

#### MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Ms. Evans, one of his secretaries.
